

Sort the Symbols

Find out where the lucky items go.

A sorting activity featuring five symbols at the top: a five-pointed star, a sun with rays and the numbers 1, 2, 5, a horseshoe, a ribbon with the number 1, and a four-leaf clover. Below these symbols is a large, tangled scribble of black lines. At the bottom is a rectangular tray with a scalloped edge, divided into five compartments. The first compartment on the left contains a small sun symbol. The other four compartments are empty.
