## Critical Thinking Questions WHO WHAT WHERE WHEN WHY HOW

- Who is doing it?
- Who is benefits or gets hurt by this?
- Who has done this before or deserves recognition for this?
- What is happening?
- What is another perspective or counter argument?
- What is the best/worst case scenario?
- Where is it?
- Where is the most need for this?
- Where did the idea come from and is it helpful?
- When is it happening?
- When is it acceptable?
- When would it be a benefit or danger?
- Why is it important?
- Why is it a problem or solution?
- What don't I see?
- What information could be missing?
- How is it similar to \_\_\_\_\_?
- How do we know this?
