<p>Kim took her dear dog to the park to play. She was feeling so down and blue for she had lost her ring. She wondered how it had disappeared.</p>	<h1>BLUE</h1>	<p>Which is the meaning used? Another meaning for this word is?</p>
<p>Her dog Buster was wanting to chase after a frisbee she had tucked into her purse. She threw the frisbee many times until it started to get cold and windy outside.</p>	<h1>DOWN</h1>	<p>Which is the meaning used? Another meaning for this word is?</p>
<p>She put Buster back on his leash and tucked the frisbee back into her purse. Then she grabbed her gloves and put them on so that her hands would stay warm. As she reached her hand into her glove she felt something hard touch her finger. She quickly looked inside her glove and to her surprise she saw her missing gold ring.</p>	<h1>RING</h1>	<p>Which is the meaning used? Another meaning for this word is?</p>
<p>She figured out that she must have pulled her glove off earlier in the day and not felt it come off her hand. Kim was happy as she turned around and headed for home with her dog.</p>	<h1>GOLD</h1>	<p>Another meaning for this word is?</p>
